PRODUCT DESCRIPTION

Mossclean is a strong cleaning solution that kills moss, algae and lichen. It can be used neat or diluted.

PURPOSE

Mossclean is designed for fast and efficient removal of moss, algae, lichen spots and stains from paving. It can be used on many surfaces including natural stone, imprinted concrete and block paving.

SPECIAL PROPERTIES

- Assists in the removal of lichen, algae and moss
- Safe to use on many surfaces including block paving, natural stone and imprinted concrete
- Powerful cleaning
- Helps inhibit moss, algae and lichen

APPLICATION INSTRUCTIONS

Before application heavily saturate the run-off areas such as flower beds and lawns with water. **Mossclean** should be applied with a sprayer or a watering can then spread evenly with a soft broom or similar. Agitating some tougher areas can assist in the cleaning process. Leave for 30 minutes before washing off with copious amounts of water. Heavily diluted product will not harm plants but care should be taken to ensure wash-off area does not enter a pond or similar. **Mossclean** should be applied in dry weather when inclement weather is not forecast.

APPROXIMATE COVERAGE

Coverage will vary considerably, depending on the infestation and/or dilution rates.

- Deep clean – Used neat, 1 litre per 3m² of affected area should be adequate for all but the most extreme situations.
- Ongoing maintenance – Diluted at 1 part **Mossclean** to 10 parts water.

STORAGE

Store in a cool, dry area away from direct sunlight. **Mossclean** has a shelf life of 12 months.

PACKAGING

5 or 25L plastic jerry cans.

SPECIFICATION CLAUSE

"The substrate shall be treated with Mossclean from PICS to kill moss, algae and lichen. All materials should comply to ISO 9001 for Quality Assurance. All work should be carried out in conjunction with the manufacturers current technical data sheet and instructions for use".

HEALTH AND SAFETY

Avoid contact with skin and eyes. Flush affected areas with water. Do not take internally. Harmful to aquatic life. Refer to Safety Data Sheet for further information.
